At GASLIGHT we are committed to providing the local market with quality food at excellent prices.

We make our own gnocchi, lasagnes, beef patties, and crumb fresh chicken breast for our burgers. Our pizza dough is proved for a minimum of two days for maximum flavour and texture. All sauces and dressings are homemade, including the almost famous garlic aioli which is superb with hot chips and onion rings and we also use it on our special burger and chicken burger.

We often have dishes not on the regular menu, ring through for details.
